Columnstore Indexes: Implementation Made Easy

Introduction

1. ## In this session you will learn how to:

   Migrate a table of choice to Columnstore easily and efficiently

   Measure performance gain

   Deal with limitations and common challenges

2. ## To accomplish this, you will need to:

   Download my generic Columnstore migration scripts

   Follow the demo and not hesitate to ask questions

3. ## Recommended resources:

   To find out how to determine which tables will benefit the most from the Columnstore migration, watch my session on the TDPC YouTube channel.

   For a deep dive into Columnstore indexes, read Niko Neugebauer's series and check out his CISL library.

Demo time

I'm not nervous...
